

# Clinical And Medical Waste Disposal

Service can be provided as often as required, monthly, fortnightly or weekly.

## Our Range:

Nappy Disposal Bin, 65 litre

Soft Dressing Disposal Bin, 50 litre

Sharp Box 5 litre

Outside Bin 770 Litre

Outside Bin 360 Litre

Tiger Sacks

## Nappy Disposal

Our nappy disposal service includes both childrens nappies and adult incontinence pads. A robust 50 ltr nappy disposal unit containing a yellow tiger sack comes complete with modesty flap to minimise odours.

## Soft Dressing Disposal

We provide soft dressings disposal for non hazardous and non infectious waste. Non-hazardous waste is clinical waste that does not represent an infection danger and that does not include other materials that may still make the waste hazardous, such as cytotoxic medicines. Suitable locations are:

- Factory first aid areas
- School/college/university first aid areas
- Tattoo clinics
- Acupuncture clinics
- Beauty clinics

## Nursing Homes

We provide a 1000, 770, 360 or 240 ltr wheeled bin service with collections weekly, fortnightly or monthly.
